PROFIT WARNING

This announcement is made by the Company pursuant to the provisions of Part XIVA of the Securities and Futures Ordinance and Rule 13.09 of the Listing Rules.

The Board of Directors of China Aerospace International Holdings Limited (the “Company”) wishes to inform the shareholders of the Company and potential investors that, based on the Company’s preliminary estimation, it is expected that the profit attributable to owners of the Company for the year ended 31 December 2016 may have a decrease of not more than 20% as compared with 2015, which was mainly due to the substantial decrease in fair value gain of investment properties as a result of the completion of construction of Shenzhen Aerospace Science & Technology Plaza in June 2016.

However, the daily operations of the Company are functioning as usual and the rental income of Shenzhen Aerospace Science & Technology Plaza has started to be recorded, the decrease in profits will not have any negative impact on the cash flow and the operations of the Company. Actual result figures will be announced upon the completion of audit by the Company’s auditor and the approvals of both the Audit Committee and the Board.

Shareholders of the Company and potential investors should exercise with caution when dealing in the shares of the Company.
